MISS ANTHONY WAS
REFUSED A VOTE

Rochester, N. Y., Oct. 28.—Miss
Mary S. Anthony, sister of Susan B.
Anthony, the woman's suffrage cham-
pion, accompanied by a friend, enter-
ed one of the registration booths in
this city and expressed the wish to
register her name for the coming elec-
tion.
"We refuse the application, in ac-
cordance with the election law," re-
plied the chairman of the registration
board, "which declares that only male
citizens of the United States are eli-
gible to suffrage."
Miss Anthony merely tossed her
head and, without saying another
word, walked out of the registry place.
Later she said it was all a joke, as
she knew very well her application
would be rejected.

here Thursday and yesterday."
Dr. E. D. Durand, special examiner
attached to the bureau of corporations
of the department of commerce, is

to discuss the results of his investiga-
tion so far, but it is known that an
extraordinary state of affairs has been
revealed.

A MONUMENT
IS UNVEILED

To Former Secretary J.
Sterling Morton by
His State.

FIVE THOUSAND PRESENT

Cleveland, Adlai Stevenson,
Ex-Governor Francis
Were There.

IT WAS ARBOR DAY MEMORIAL

Nebraska City, Neb., Oct. 28.—The
monument which the Arbor Day Me-
morial association has erected in
honor of J. Sterling Morton, secretary
of agriculture, during the last Cleve-
land administration and founder of
Arbor day, was unveiled today in the
presence of thousands of visitors
from all parts of the state. Presi-
dent Cleveland made the principal ad-
dress of the day, eulogizing Mr. Mor-
ton, who died three years ago. The
monument is a statue of Mr. Morton,
mounted on a massive pedestal and
is considered a fine work of the
sculptors' art.

ASSOCIATES IN OFFICE
ATTENDED THE OCCASION.

Nebraska City, Neb., Oct. 28.—In
the presence of 5,000 persons, and
with elaborate ceremonies, the statue
of J. Sterling Morton, secretary of
agriculture in the last Cleveland cabi-
net, and founder of Arbor Day, was
unveiled at Morton park this after-
noon. The principal of those present
at the ceremony was former Presi-
dent Grover Cleveland, Vice President
Adlai Stevenson, Governor Mickey,
Hon. Hilary A. Herbert, David R.
Francis and other associates of Mr.
Morton during his term of office.

EXPEDITION NOT AN
OFFICIAL ONE.

Washington, D. C., Oct. 28.—The
Grinnell party, whose probable loss in
attempting to explore Tiburon island
was reported some time ago, was not
an official expedition and was not
sent out by the government, as was
reported. Prof. W. H. Holmes, chief
of the United States bureau of eth-
nology, says that Prof. Grinnell and
comrades doubtless went to Tiburon
island on their own account, and that
the report that they perished from
hunger and thirst is very probable.

BILL BAILEY ESCAPES
FROM COUNTY BASTILE

Bill Bailey, the erstwhile negro por-
ter, who was sentenced to serve a
term of sixty days in the county jail
last week by Judge Crawford, in po-
lice court, succeeded in scaling the
wall surrounding the county jail last
evening and is still at large.

As soon as it was discovered that
Bailey was missing the sheriff's office
organized a posse and started in pur-
suit of the fleeing negro. He was lo-
cated hiking for the tall uncut, along
the Rio Grande, and chase was given.
But he managed to lose himself in the
thick underbrush and the chase was
given up late last night. Today no
trace of the escaped jail bird could
be found.

It is very likely that Bailey has
made good his escape. It is not
thought that the officers will lose
much sleep over his disappearance,
as they would be glad to have him
leave the city for good, as he is con-
sidered to be a dangerous man.

His last offense, which got him into
jail again, was that of beating one
Susie Davis, a colored domestic, whom
he accused of being untrue to him.
Susie was quite badly chewed up in
the encounter, but is now on the road
to recovery.

EGGLESTON'S WIFE PROSTRATED.

Grieving over the fact that her hus-
band is in jail charged with a grave
crime, and failing in all efforts to
secure bonds for his release, Mrs.
Claudia Eggleston, a bride of only a
few weeks, is lying at the home of her
parents suffering from nervous pros-
tration, and her condition is consid-
ered serious. Mrs. Eggleston was ter-
ribly shocked when her husband was
arrested last Sunday as the principal
in the shooting affray which occurred
between two hunting parties in Bear
canyon. During the past week she
had worked incessantly among her
friends to raise the \$1,000 bond ne-
cessary to secure the release of Eg-
gleston from jail, and when she had
exhausted everything in her power,
and failed to raise the bond, she suf-
fered a complete physical collapse.

SENATOR ANDREWS SUED BY THE
RECEIVER OF ENTERPRISE BANK

Pittsburg, Oct. 28.—Receiver John
B. Cunningham, of the Enterprise Na-
tional bank, entered suit this after-
noon against W. H. Andrews, of New
Mexico, for \$55,000, alleging fraud.
Andrews' name has been prominently
connected with the failure of the
bank.
The action against Andrews is to
recover \$55,000, alleged to have been
received from the bank by Andrews
with Clarke and unlawfully and fraud-
ulently conspired with F. R. Nichols,
Clarke and others to procure funds for
the proceeds of negotiable paper, and
that Nichols, at his request, carried
out the alleged conspiracy. A short-
age of \$300,000 in cash in the accounts
of Cashier Clarke of the Enterprise
bank is reported to have been dis-
covered by Special Examiner Moxey
and Receiver Cunningham. This mo-
ney is supposed to have been loaned
without security or any record being
made of the transaction.

WIRELESS THE
WAY ITS DONE

Communication Kept up
Between Washington
and President.

NAVY YARD NOISE BROKE IT

Distance Mostly Across Land
and More Than Thou-
sand Miles.

MRS. ROOSEVELT SENT MESSAGE

Washington, D. C., Oct. 28.—The
wireless telegraph station at the
Washington navy yard was in com-
munication with the armored cruiser
West Virginia, on which President
Roosevelt is a passenger, from 2:07 to
5:15 this morning.

As soon as the noise of the machin-
ery and engines began, before seven
this morning, it became impossible to
communicate further, but it is expect-
ed that communication will be resum-
ed when the yard quiets down at night
fall.

The feat of communication from
Washington to a vessel on the Gulf of
Mexico, about 1,100 miles of distance
and mostly overland, is regarded as
remarkable.

CONGRATULATED THE
PRESIDENT BY WIRELESS.

Washington, D. C., Oct. 28.—As soon
as the West Virginia was in touch
with the wireless station at Key West
today, the first message to be trans-
mitted from the shore to the big
cruiser was a personal one from Mrs.
Roosevelt to the president, congrat-
ulating him on the anniversary of his
forty-seventh birthday.

NEW STEAMSHIP LINE
TO THE WEST INDIES

New York, Oct. 28.—The sailing from
this port today of the steamship Te-
lus for West Indian ports marks the
inauguration of a new steamship ser-
vice between this city and southern
Atlantic ports. The new line is merely
an extension of the service of the
Royal Mail Steam Packet company,
which for more than a quarter of a
century has maintained a regular ser-
vice between England and West In-
dian ports. The steamers of the new
line will call at Kingston, Jamaica;
Porto Colon, La Guayra, Trinidad
and Barbadoes. From Barbadoes the
ships will proceed to the Azores and
thence to England. The same itera-
ry will be followed on the return trip,
but in reversed order.

The fleet employed in the service
includes the Tagus, Atrata, Plata, Or-
inoco and Trent. The steamers will
sail at fortnightly intervals.

RAILROAD TO REACH
BATTLEFIELD OF YORTOWN

Baltimore, Md., Oct. 28.—The his-
toric battlefield of Yorktown is to be
made easy of access by the building
of a railroad from Newport News to
the battlefield. The Virginia Peninsu-
lar Railway company has been or-
ganized, with a capital stock of \$300,000
and an application has been filed with
the Virginia Corporation commission.
W. A. Post, general manager of the
big shipyard at Newport News and
president of the Newport News street
railway, is president of the new com-
pany. J. L. Patton, of Newport News,
is vice president; Charles M. Graves,
of Norfolk, secretary, and Arthur Lee,
treasurer. The construction of the
road will be begun as soon as the
right of way has been secured. The
road will be run by gasoline motors
of high speed.

MURDER AND SUICIDE
CAUSED BY INTOXICATIONS

Telluride, Colo., Oct. 28.—Carlos
Delassau, while intoxicated this morn-
ing, shot and killed his four months'
old baby, wounded his wife in the
cheek and then turned the revolver
on himself. It is expected he will die.
Some say jealousy and some say that
a family quarrel was the cause of the
shooting. Delassau was a miner.

SOUTH AMERICAN PATRIOT
HAS HIS DAY CELEBRATED.

Caracas, Venezuela, Oct. 28.—The
anniversary of Simon Bolivar, Ven-
ezuela's liberator, is celebrated all
through Venezuela today. Bolivar's
birthday is the only national holiday
of Venezuela and is as generally ob-
served as the Fourth of July in the
United States. Patriotic meetings
with music and speeches are held in
every city and town of the country
and the rest of the day is given up to
popular amusements.

St. Louis, Mo., Oct. 28.—Wool mar-
ket steady and unchanged.
